Upgraded R-17-A-73 Asphalt Coating/Primer Aerosol Can

ErgonArmor's NSF/ANSI 61 certified R-17-A-73 Asphalt Coating/Primer aerosol cans have a new look and feel that include the following benefits:

Spray Can:

1. Increased spray rate for quicker application times and reduction of clogging issues
2. Upgraded spray can label that provides more informative instructions, additional product reference details, and updated regulatory/safety information that is available in three languages

MARKETING BULLETIN

Spray Can Packaging:

1. 3-piece aerosol can with wider lid that is more resistant to accidental removal and adds packaging stability during transit
2. A sturdier 60 carton per full pallet configuration versus the original 90 cartons per full pallet
